

## blueBag 2.5

Bag Melter  
for 2,5kg PUR adhesives

## blueBag 20

Bag Melter  
for 20kg PUR adhesives

Cost-efficient plants for the gentle processing of PUR adhesives.

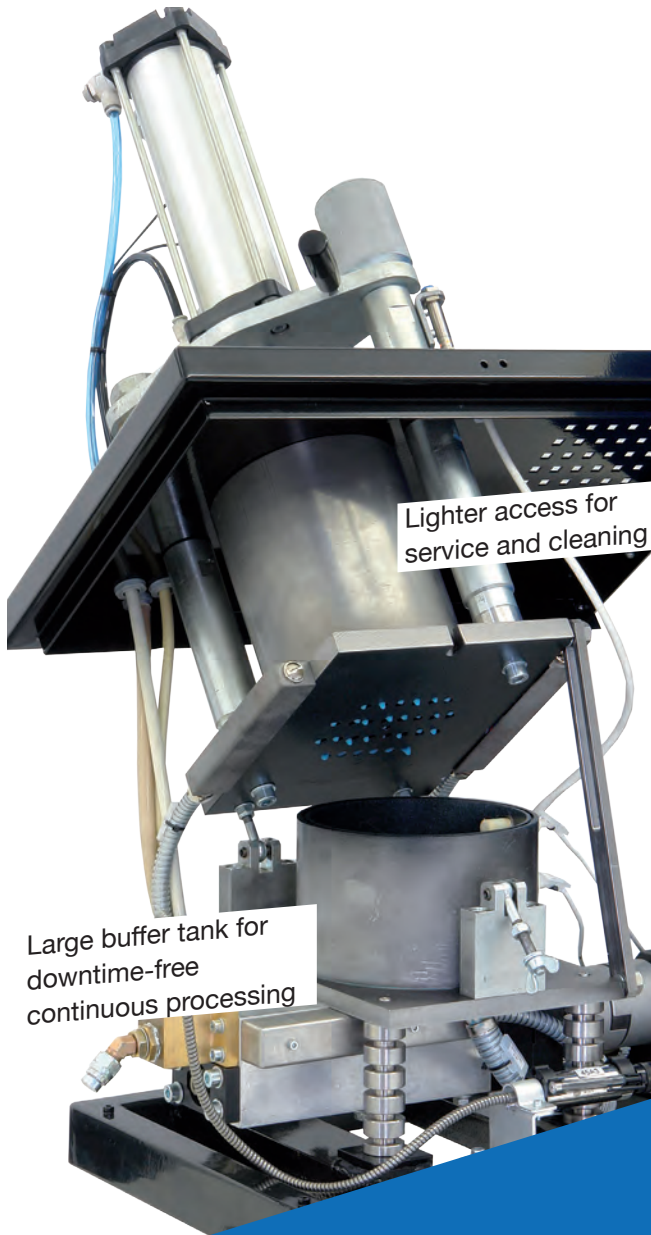

Easy to service thanks to modular design and full access to all components.

Large buffer tank ensures downtime-free operation.

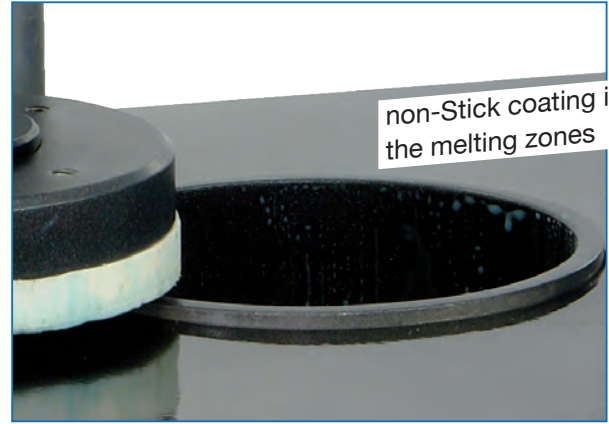

fig. blueBag 2.5

Lighter access for service and cleaning

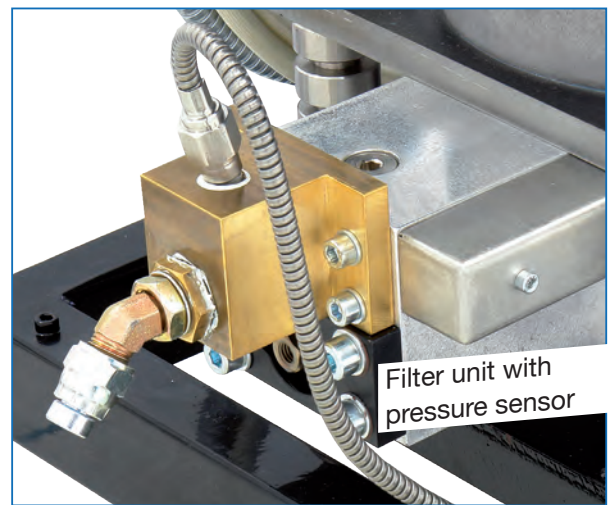

Large buffer tank for downtime-free continuous processing

non-Stick coating in the melting zones

Control systems  
Siemens Simatic S7/  
Phoenix Contact

Filter unit with pressure sensor
